

For event visitors

Sign in to the event

To enter the event, click the "Login" button and create your user account (password / login).

Enter the ticket code or access code provided by the organizer for the private event.

Create your badge business card

Create your business card to work effectively at the event:

- photo;
- name;
- company name;
- position;
- company website address;

Select the tags that match your contact and provide information on the purpose of participation, for easy search for your contact by exhibitors.

The screenshot displays the user profile page for the 'Interclean China Time' event. The main content area is titled 'My card information' and contains a 'Profile' section with the following fields:

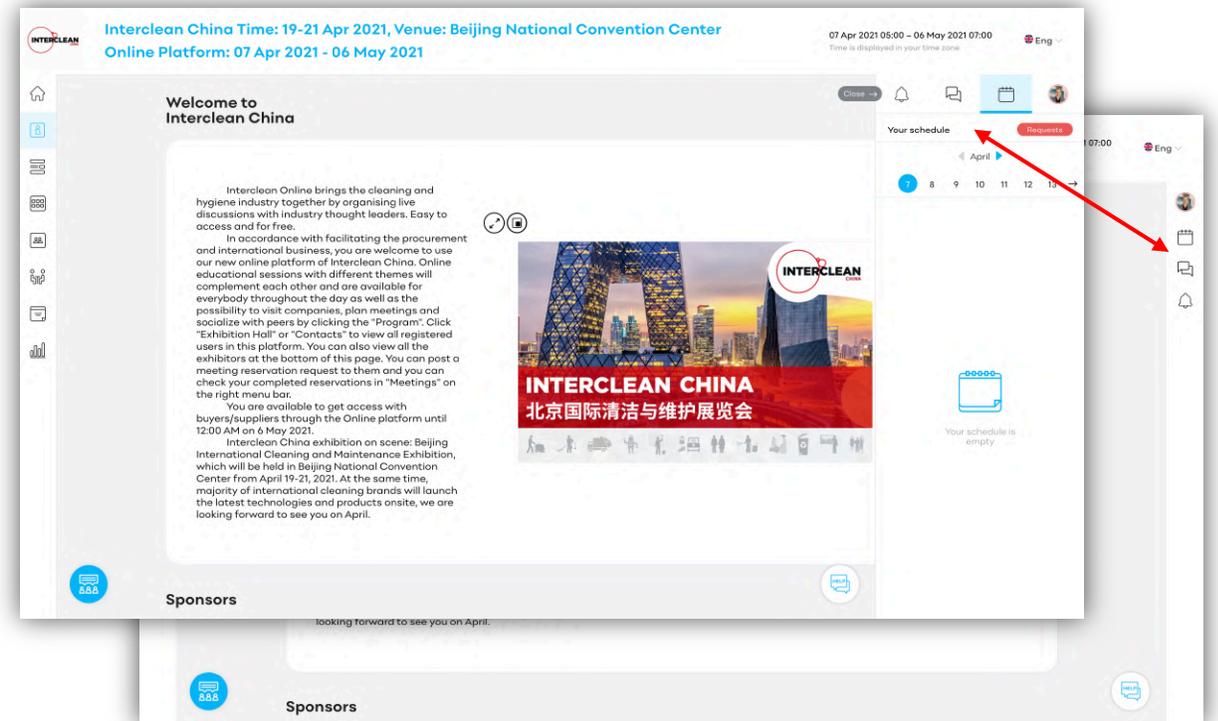

Field	Value	Character Count
First name	Hennadiy	8 / 250
Last name	Netyaha	7 / 250
E-mail	hn@eventswallet.com	19 / 250
Country	China	5 / 250
City	Shanghai	8 / 250
Company name	EventsWallet	12 / 250
Company website	https://eventswallet.com	24 / 250
Position	CEO	3 / 250

The right sidebar contains a 'Your account' section with a 'Personal settings' link and an 'Edit' button. A red arrow points to this 'Edit' button. Below this is an 'Exhibitor access code' section with a 'Save' button. At the bottom right, there is a 'Sign out' button.

Get quick access

Use the personal menu at the event for quick access to:

- notifications;
- messages;
- personal calendar of meetings and selected sessions of the program;
- editing a business card;

Install the app

Download the mobile application for the convenience of your work at the event:

- scan the QR and download the app;
- enter your username and password to log into your account;

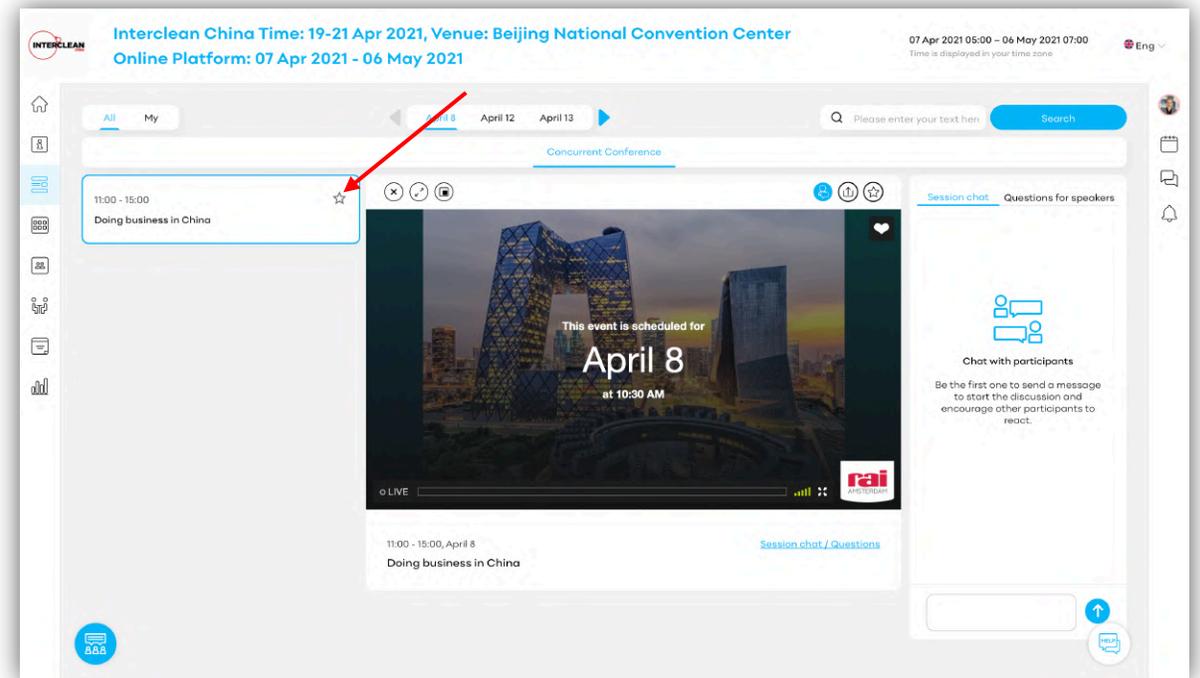

The screenshot displays the Interclean China event website. At the top, it states "Interclean China Time: 19-21 Apr 2021, Venue: Beijing National Convention Center" and "Online Platform: 07 Apr 2021 - 06 May 2021". The main banner features the event title "Interclean China 北京国际清洁与维护展览会" and the dates "07 Apr 2021 05:00 - 06 May 2021 07:00". A QR code is provided for app download, and a "Get tickets" button is visible. Below the banner, the "Events mobile app" section includes the text "Download the mobile application and scan the QR code above to access the event via the app" and two QR codes for Google Play and the App Store. A red arrow points to the App Store QR code.

Make your schedule

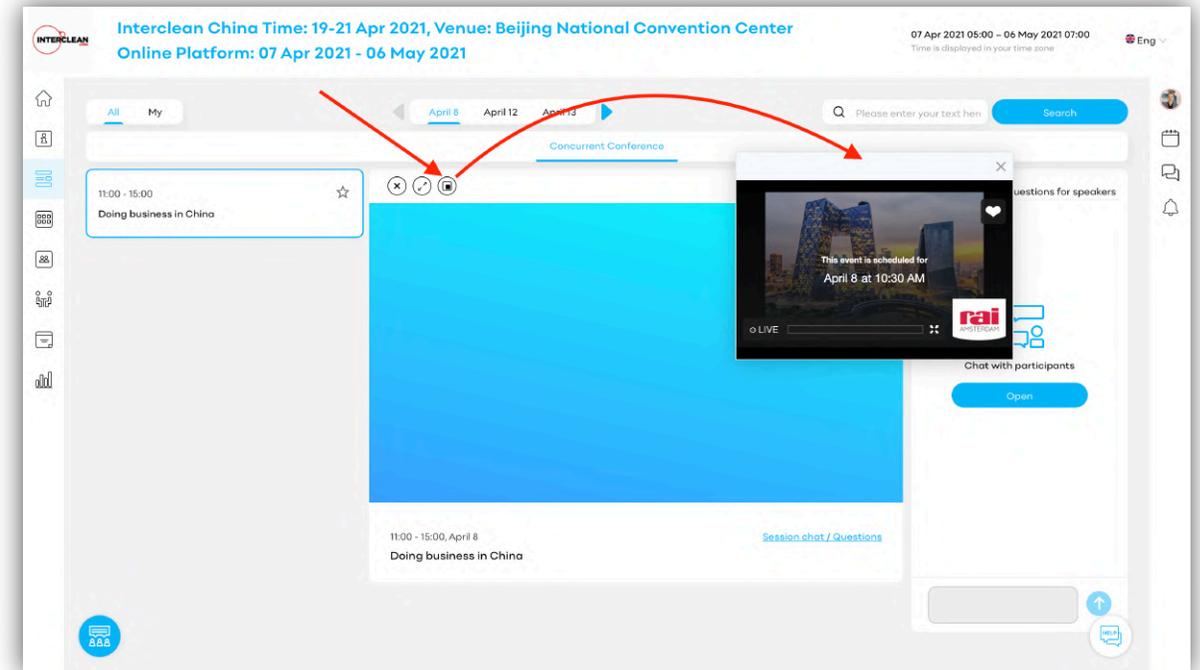

Form your schedule for effective work at the event:

- mark interesting sessions as favorites;
- receive notifications with reminders of upcoming events.

Watch the program conveniently

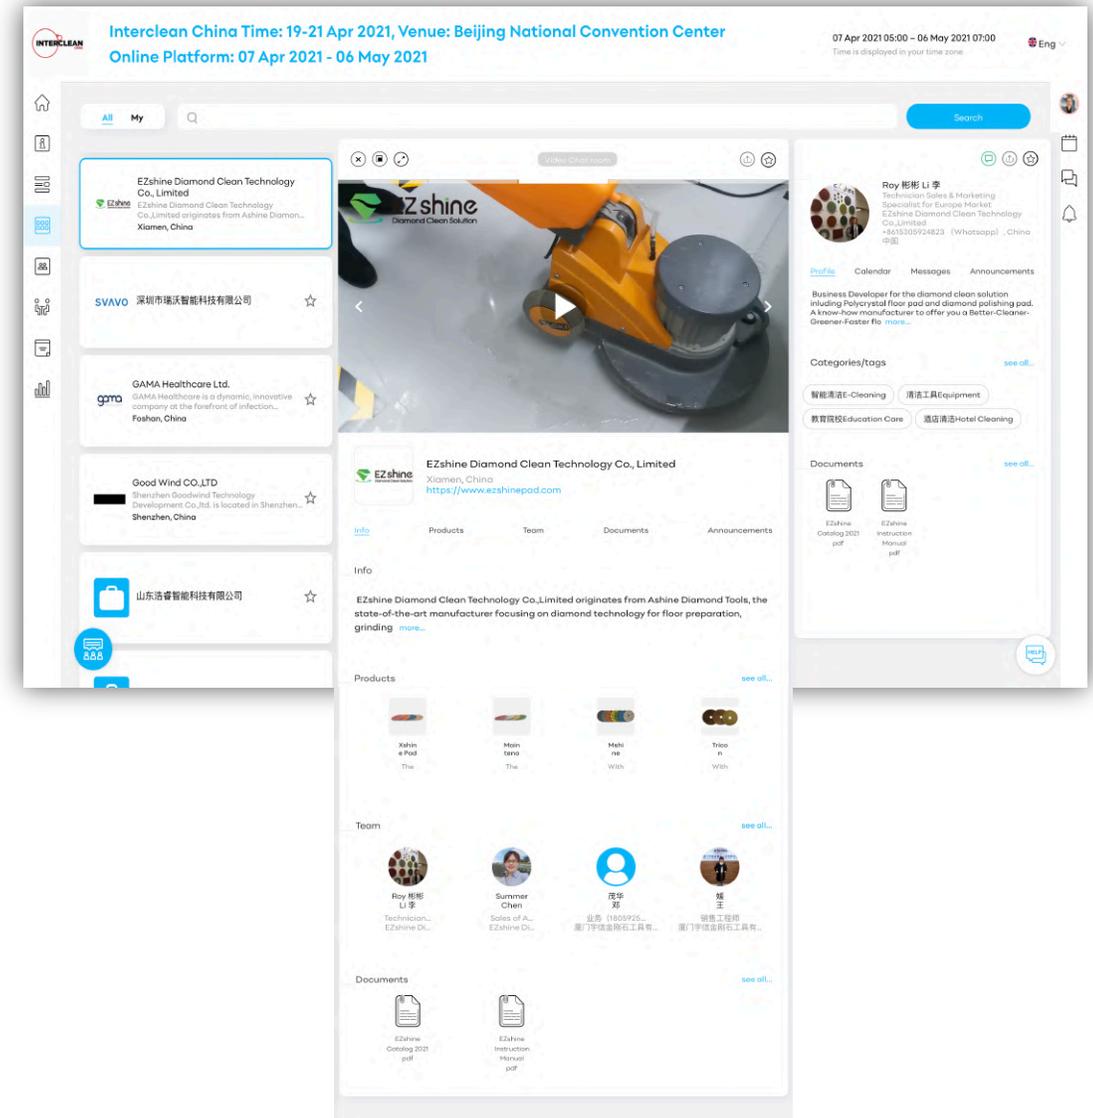

Use the function "tear the player off the screen" to watch the business program and work at the event at the same time
